4. It should be noted in this regard that mineral wealth is the wealth of the nation and should be put to use for public good. Government gave mining lease so that the lessee could do mining scientifically within the prescribed time limits and use the mined mineral. Such a mine would generate revenue for the State by way of taxes, employment for the local people and give boost to the overall economy of the region besides industrializing the area. None of these objectives could be achieved due to the abject failure of the lessee.

5. Government after careful consideration of the matter have decided to declare the Mining Lease held by M/s. A.P. Scheduled Tribes Co-Operative Finance Corporation Limited (TRICOR) for Semi Precious stones over an extent of 18.90 Acres in Sy. No.32 of Turaiguda (V), Arakuvali (M), Visakhapatnam District, as lapsed under Rule 28(1) of M.C Rules, 1960, as the lessee has failed to fulfill the lease conditions.

6. The Director of Mines & Geology, Government of Andhra Pradesh, Hyderabad shall take necessary action accordingly.
